 - (c) require and take from the Registrar or from any other employee, such security for the due performance of his duties as the Central Council deems necessary, and
 - (d) with the previous sanction of the Central Government, fix the remuneration and allowances to be paid to the President, Vice-President and members of the Central Council and to the members of the committees thereof and determine the conditions of service of the employees of the Central Council.

Vacancies in the Central Council and committees thereof not to invalidate acts, etc.

12. No act or proceeding of the Central Council or any committee thereof shall be called in question on the ground merely of the existence of any vacancy in, or any defect in the constitution of the Central Council or the committee, as the case may be.

CHAPTER - II A

Permission for establishment of new medical institution, new course of study, etc.

- 12A. (1) Notwithstanding anything contained in this Act or any other law for the time being in force:-
- (a) no person shall establish a Homoeopathic Medical College; or
 - (b) no Homoeopathic Medical College shall -
 - (i) open a new or higher course of study or training (including post-graduate course of study or training) which would enable students of each course or training to qualify himself for the award of any recognized medical qualification; or
 - (ii) increase its admission capacity in any course of study or training (including the post-graduate course of study or training.),

except with the previous permission of the Central Government obtained in accordance with the provisions of this section.

Explanation 1. - For the purposes of this section, "person" includes any University or trust, but does not include the Central Government.

Explanation 2. - For the purposes of this section, "admission capacity" , in relation to any course of study or training (including post-graduate course of study or training) in a medical institution, means the maximum number of students as may be decided by the Central Council from time to time for being admitted to such course or training,

- (2) (a) Every person or medical institution shall, for the purpose of obtaining permission under sub-section (1) submit to the Central Government a scheme in accordance with the provisions of the clause (b) and the Central Government shall refer the scheme to the Central Council for its recommendations.
- (b) the scheme referred to in clause (a) shall be in such form and contain such particulars and be preferred in such manner and be accompanied with such fee as may be prescribed.
- (3) On receipt of a scheme from the Central Government under sub-section (2), the Central Council may obtain such other particulars as may be considered necessary by it from the person or the medical institution concerned, and thereafter, it may-
 - (a) if the scheme is defective and does not contain any necessary particulars, give reasonable opportunity to the person or the medical institution concerned for making a written representation and it shall be open to such a person or medical institution to rectify the defects, if any, specified by the Central Council.
 - (b) consider the scheme, having regard to the factors referred to in sub-section (7), and submit it to the Central Government together with its recommendations thereon within a period not exceeding six months from the date of receipt of the reference from the Central Government.
- (4) The Central Government may, after considering the scheme and the recommendations of the Central Council under sub-section (3) and after obtaining, where necessary, such other particulars as may be considered necessary by it from the person or medical institution concerned, and having regard to the factors referred to in sub-section (7), either approve (with such conditions, if any, as it may consider necessary) or disapprove the scheme & any such approval shall constitute as a permission under sub-section (1) :
Provided that no scheme shall be disapproved by the Central Government except after giving the person or medical institution concerned a reasonable opportunity of being heard;
Provided further that nothing in this sub-section shall prevent any person or medical institution whose scheme has not been approved by the Central Government to submit a fresh scheme and the provisions of this section shall apply to such scheme, as if such scheme had been submitted for the first time under sub-section (2).
- (5) Where, within a period of one year from the date of submission of the scheme to the Central Government under the sub-section (2), no order is communicated by the Central Government to the person or medical institution submitting the scheme, such scheme shall be deemed to have been approved by the Central Government in the form in which it was submitted, and, accordingly, the permission of the Central Government required under the sub-section (1) shall also be deemed to have been granted.
- (6) In computing the time-limit specified in sub-section (5), the time taken by the person or medical institution concerned in submitting the scheme, in furnishing any particulars called for by the Central Council, or by the Central Government shall be excluded.

- (7) The Central Council, while making its recommendations under clause (b) sub-section (3) and the Central Government, while passing an order, either approving or disapproving the scheme under sub-section (4), shall have due regard to the following factors, namely: -
- (a) whether the proposed medical institution or the existing medical institute seeking to open a new or higher course of study or training, would be in a position to offer the minimum standards of medical education as prescribed by the Central Council under Section 20;
 - (b) whether the person seeking to establish a medical institution or the existing medical institution seeking to open a new or higher course of study or training or to increase its admission capacity has adequate financial resources;
 - (c) whether necessary facilities in respect of staff, equipment, accomodation, training, hospital and other facilities to ensure proper functioning of the medical institution or conducting the new course of study or training or accomodating the increased admission capacity have been provided or would be provided within the time-limit specified in the scheme;
 - (d) whether adequate hospital facilities, having regard to the number of students likely to attend such medical institution or course of study or training or as a result of the increased admission capacity, have been provided or would be provided within the time-limit specified in the scheme;
 - (e) whether any arrangement has been made or programme drawn to impart proper training to students likely to attend such medical institution or the course of study or training by the persons having the recognised medical qualifications;
 - (f) the requirement of manpower in the field of practice of homoeopathic medicine in the medical institution; and
 - (g) any other factors as may be prescribed.
- (8) Where the Central Government passes an order either approving or disapproving a scheme under this section, a copy of the order shall be communicated to the person or medical institution concerned.

Non-recognition of medical qualifications in certain cases.

- 12B. (1) Where any medical institution is established without the previous permission of the Central Government in accordance with the provisions of section 12A, medical qualification granted to any student of such medical institution shall not be deemed to be a recognised medical qualification for the purposes of the Act.
- (2) Where any medical institution opens a new or higher course of study or training (including a post-graduate course of study or training) without the previous permission of the Central Government in accordance with the provisions of section 12A, medical qualification granted to any student of such institution on the basis of such study or training shall not be deemed to be recognized medical qualification for the purposes of this Act.
- (3) Where any medical institution increases its admission capacity in any course of study or training without the previous permission of the Central Government in accordance with the provisions of section 12A, medical qualification granted to any student of such medical institution on the basis of increase in its admission capacity shall not be deemed to be recognized medical qualification for the purposes of this Act.

CHAPTER - III (RECOGNITION OF MEDICAL QUALIFICATIONS)

Recognition of medical qualifications granted by certain medical institutions in India.

- 13.(1) The medical qualifications granted by any University, Board or other medical institution in India which are included in the Second Schedule shall be recognized medical qualifications for the purposes of this Act

- (2) Any University, Board or other medical institution in India which grants a medical qualification not included in the Second Schedule may apply to the Central Government to have any such qualification recognized, and the Central Government after consulting the Central Council, may, by notification in the Official Gazette, amend the Second Schedule so as to include such qualification therein and any such notification may also direct that an entry shall be made in the last column of the Second Schedule against such medical qualification only when granted after a specified date.

Recognition of Medical qualifications granted by medical institutions in States or countries outside India.

14. (1) The medical qualifications granted by medical institutions outside India which are included in the Third Schedule shall be recognized medical qualifications for the purposes of this Act.
- (2) (a) The Central Council may enter into negotiations with the authority in any State or country outside India, which by the law of such State or country is entrusted with the maintenance of a Register of practitioners of Homeopathy for settling of a scheme of reciprocity for the recognition of medical qualifications in Homeopathy, and in pursuance of any such scheme, the General Government may, by notification in the Official Gazette, amend the Third Schedule so as to include therein any medical qualification which the Central Council has decided should be recognized and any such notification may also direct that an entry shall be made in the last column of the Third Schedule against such medical qualification declaring that it shall be a recognised medical qualification only when granted after a specified date.
- (b) Where the Council has refused to recommend any medical qualification which has been proposed for recognition by any authority referred to in clause (a) and that authority applies to the central Government in this behalf, the Central Government, after considering such application and after obtaining from the Council a report, if any, as to the reasons for any such refusal, may, by notification in the Official Gazette, declare that such qualification shall be a recognized medical qualification and the provisions of clause (a) shall apply accordingly.

Rights of persons possessing qualifications included in Second or the Third Schedule to be enrolled.

15. (1) Subject to the other provisions contained in this Act, any medical qualification included in the Second or the Third Schedule shall be sufficient qualification for enrolment on any State Register of Homeopathy.
- (2) No person, other than a practitioner of Homeopathy who possess a recognized medical qualification and is enrolled on a State Register or the Central Register of Homeopathy-
- (a) shall hold office as Homoeopathic physician or any other office (by whatever designation called) in Government or in any institution maintained by a local or other authority;
- (b) shall practise Homoeopathy in any State;
- (c) shall be entitled to sign or authenticate a medical or fitness certificate or any other certificate required by an law to be signed or authenticated by a duly qualified medical practitioner;
- (d) shall be entitled to give any evidence at any inquest or court of law as an expert under Section 45 of the Indian Evidence Act, 1872 on any matter relating to Homoeopathy.
- (3). Nothing contained in sub-section (2) shall affect-
- (a) the right of a practitioner of Homoeopathy enrolled on a State Register of Homoeopathy to practise Homoeopathy in any State merely on the ground that, on the commencement of this Act, he does not possess a recognized medical qualification;
- (b) the privileges (including the right to practise Homoeopathy) conferred by or under any law relating to registration of practitioners of Homoeopathy for the time being in force in any State, on a Practitioner of Homoeopathy enrolled on a State Register of Homoeopathy;
- (c) the right of a person to practise Homoeopathy in a State in which, on the commencement of this Act, a State Register of Homoeopathy is not maintained if, on such commencement, he has been practising Homoeopathy for not less than five years.
- (d) the rights conferred by or under the Indian Medical Council Act, 1956 [including the right to practise medicine as defined in clause (f) of section 2 of the said Act] or the Indian Medicine Central Council Act, 1970 of persons possessing any qualifications included in the

respective Schedules to the said Act.

- (4). Any person who acts in contravention of any provision of sub-section (2) shall be punished with imprisonment for a term which may extend to one year, or with fine which may extend to one thousand rupees or with both.

Power to require information as to courses to study and examination.

16. Every University, Board of medical institution in India which grants a recognized medical qualification shall furnish such information as the Central Council may, from time to time, require as to the courses of study and examination to be undergone in order to obtain such qualifications, as to the ages at which such courses of study and examinations are required to be undergone and such qualification is conferred and generally as to the requisite for obtaining such qualification.

Inspectors at examinations.

17. (1) The Central Council shall appoint such number of medical inspectors as it may deem requisite to inspect any medical college, hospital or other institution where education in Homoeopathy is given, or to attend any examination held by any University, Board or medical institution for the purpose of recommending to the Central Government recognition of medical qualifications granted by that University, Board of medical institution.
- (2) The medical inspectors shall not interfere with the conduct of any training or examination but shall report to the Central Council on the adequacy of the standards of education including staff, equipment, accommodation, training and other facilities prescribed for giving education in Homoeopathy, as the case may be, on the sufficiency of every examination which they attend.
- (3) The Central Council shall forward a copy of any such report to the University, Board or medical institution concerned, and shall also forward a copy with the remarks of the University or medical institution thereon, to the Central Government.

Visitors at Examinations.

18. (1) The Central Council may appoint such number of visitors as it may deem requisite to inspect any medical college, hospital or other institution where education in Homoeopathy is given or to attend any examination for the purpose of granting recognized medical qualification.
- (2) Any person, whether he is a member of the Central Council or not may be appointed as a visitor under this section but a person who is appointed as an inspector under section 17 for any inspection or examination shall not be appointed as a visitor for the same inspection or examination.
- (3) The visitors shall not interfere with the conduct of any training or examination but shall report to the President of the Central Council on the adequacy of the standards of education including staff, equipment, accommodation, training and other facilities prescribed for giving education in Homoeopathy or on the sufficiency of every examination which they attend.
- (4) The report of a visitor shall be treated as confidential unless in any particular case the President of the Central Council otherwise directs:
Provided that if the Central Government requires a copy of the report of a visitor, the Central Council shall furnish the same.

Withdrawal of recognition

19. (1) When upon report by the inspector or the visitor it appears to the Central Council -
- (a) that the courses of study and examination to be undergone in or the proficiency required from candidates at any examination held by any University, Board or medical institution, or
- (b) that the staff, equipment, accommodation, training and other facilities for instruction and training provided in such University, Board or medical institution or in any college or other institution affiliated to the University, do not conform to the standard prescribed by the Central Council, the Central Council shall make a representation to that effect to the Central Government.
- (2). After considering such representation, the Central Government may send it to the Government of the State in which the University, Board or medical institution is situated and the State Government shall forward it alongwith such remarks as it may choose to make to the University, Board or medical institution with an intimation of the period within which the University, Board or medical institution may submit its explanation to the State Government.
- (3). On the receipt of the explanation or where no explanation is submitted within the period fixed then on the expiry of that period the State Government shall make its recommendations to the

Central Government.

- (4). The Central Government after making such further inquiry, if any, as it may think fit, may, by notification in the Official Gazette, direct that an entry shall be made in the Second Schedule against the said medical qualification declaring that it shall be a recognized medical qualification only when granted before a specified date or that the said medical qualification if granted to students of a specified college or institution affiliated to any University shall be recognized medical qualification only when granted before a specified date or as the case may be, that the said medical qualification shall be recognized medical qualification in relation to a specified college or institution affiliated to any University only when granted after a specified date.

Minimum standard of education in Homoeopathy.

20. (1) The Central Council may prescribe the minimum standards of education in Homoeopathy required for granting recognized medical qualifications by Universities, Board or medical institutions in India.
- (2) Copies of the draft regulations and of all subsequent amendments thereof shall be furnished by the Central Council to all State Governments and the Central Council shall, before submitting the regulations or any amendment thereof as the case may be, to the consideration the comments of any State Government received within three months from the furnishing of the copies as aforesaid.

CHAPTER - IV (THE CENTRAL REGISTER OF HOMOEOPATHY)
