D.O. No. V.11012/3/2013-MMPC
Date: 4th September, 2014

Dear *Colleague,*

It has come to notice that State Governments are floating tenders for introducing computerization wherein it is not mandated for the bidders to follow the EHR standards.

2. In this regard, I would like to inform you that MoHFW is still in the process of finalizing the MDDS whereas EHR standards have been already finalized and notified by MoHFW. Secretary (HFW) has already requested you to make adoption of EHR standards as prerequisite in RFP/RFQ for all health related ICT initiatives of your State / UT.

3. I shall be grateful if you could direct concerned officers for making adoption of EHR standards a prerequisite in RFP / RFQs for all health related ICT initiatives of your State / UT so that the application is interoperable and able to talk to other data systems and applications.

With regards,

Yours sincerely,

(Manoj Jhalani)

To: Principal Secretaries (Health) of all States / UTs
